Director's Note

Welcome to Nottingham. I hope you're all ready to cheer for Robin, boo at Badlot and call for Carpenter! Our pantos are very special to us, they mark the end of a busy year and if it looks like we're having a good time up there that's because we are. This is the start of our Christmas celebrations we're happy that you're here to share it with us and we're sure that you'll have as much fun watching as we've had producing it. I am grateful to the Players for giving me the opportunity to direct it and would like to thank everybody who's helped over the last 15 weeks.

We want to be in panto, we want to be a "Star"

But following audition we were told "you really wont go far"

Just stick to selling houses - you're really good at that.

You beat the competition into the proverbial "cocked-hat"

So remember all you townsfolk if you want to sell your home

See Sargeants on the South Coast Road or just give them a phone

And let us do the best we can to make your move a pleasure

In the meantime sit-back, enjoy the show it's really one to treasure!

Sargeants - lousy poets but great Estate Agents!

Peacehaven Players

We are a friendly and supportive group and although we work hard, rehearsing on Tuesday and Thursday evenings, a good time is had by all. So if the idea of "treading the boards" appeals **why not join us?**

If you don't want to work on stage there is plenty to do behind the scenes - scenery, costumes, hair & make-up, lighting, sound and working 'front of house' to mention just a few.
