### Director's Note

For too long I had been thinking "I would have done that scene differently." or "Why didn't the director do it that way?" So I put my money where my mouth is and had a ball doing it. It has been fun organizing and arranging things the way I wanted them and I hope my fellow Players don't think I've been too dictatorial but "I'm the director and what I say goes". I couldn't have done any of this without my team. Carolyn Cooper has been my "right hand man", her input has been invaluable. This has been Margaret's first year as Musical Director and she has done a grand job. Rob Cooper and his team have produced a colourful and vibrant set and I have to say a special thank you to Pete and Paul our lighting guys

I'm sure you all know the story of Snow White, our presentation has some familiar aspects as well as some unusual ones - political correctness notwithstanding. We are counting on you to join in so hiss, boo and cheer to your hearts content. We have tried to bring you something a little different while keeping to a traditional panto style, I hope you enjoy it.

So here we go it's time again  
 To write a clever ditty  
 Of selling homes in this fair town  
 Our seaside "garden city"

A special offer - just this week -  
 We hope to find some sellers  
 Of lots of pretty little homes  
 For seven woodland dwellers

Or failing that a palace fine  
 With mirrors on the wall  
 So we can say (without a doubt)  
We're the fairest of them all

The *Players* are a friendly and supportive group and although we work hard, rehearsing here in the Community Hall on Tuesday and Thursday evenings, a good time is had by all so come along and join the fun. Don't worry if you don't want to work on stage there is plenty to do away from the footlights - design, painting, scenery building, costumes, hair & make-up, lighting, sound and working 'front of house' to mention just a few.
