## *Peacehaven Players*

*Peacehaven Players* are a friendly and supportive group and although we work hard, rehearsing on Tuesday and Thursday evenings, a good time is had by all. So if the idea of "treading the boards" appeals to you why not come and join us? If being on stage doesn't appeal to you there is plenty of other ways to get involved why not help with music, scenery, costumes, make up, lighting, sound or front of house.

### **OR BE A PATRON**

If you enjoy our shows and would like to be a part of *Peacehaven Players* but don't want to be an active member why not be a patron? Benefits include concessions, a regular newsletter, and a sneak preview of shows at special rehearsal evenings. For an application form or more details please see a member of our front of house team

We would like to offer warm thanks to all those who have helped us and also a special big thank you to you all, our very supportive audience and last but by no means least

**We hope you enjoy the show!**

### **Message from our Director**

Hi Mums & dads, boys & girls it's Panto time again. The company have been rehearsing hard since August starting with the trauma of the auditions; note bashing to learn the songs; the panic when I said they couldn't use the scripts on stage after November; Sandra the choreographers panic when she realised I hadn't allowed enough time to learn the dances; Jason the Musical Directors panic when I kept changing the songs; my panic when I thought the show wouldn't be ready for opening night. Still, here we are with a great show for you to enjoy with us.

# WE WON'T

Get a written quote for a new clutch for your car from your main dealer and we will beat it and give you a lifetime guarantee.

## The Clutch People

*We only disappoint our competitors.  
Not our customers!*

**Now A Clutch For Life**

Clutches in cars and vans over 4 years old wear out at the rate of 8,000 a day as three million motorists a year learn to their cost. But now a major manufacturer has introduced replacement clutches with a lifetime guarantee. If the new clutch wears out or fails owing to fair wear and tear or a driver with a heavy left foot, it will be replaced with no haggling, free of any charge, even labour is free. The move is a cost saving advance for family motorists and company cars and vans (sorry but taxis and driving schools are excluded as are vans over 3500kg gross weight which is larger than most twin wheel Transits). Just retain your receipt and free guarantee in order to ensure free replacement.
