

# Peacehaven Players

~ Presents ~

# ANYTHING GOES

Written by Cole Porter  
Directed by Jim Jenner

An Amateur Production by arrangement  
with Music Scope & Stage Musical Ltd  
of New York

# *Peacehaven Players*

*Peacehaven Players* are a friendly and supportive group and although we work hard, rehearsing on Tuesday and a Thursday evenings, a good time is had by all. So if the idea of "treading the boards" appeals to you why not come and join us? If being on stage doesn't appeal to you there is plenty of other ways to get involved why not help with music, scenery, costumes, make up lighting, sound or front of house.

## **OR BE A PATRON**

If you enjoy our shows and would like to be a part of *Peacehaven Players* but don't want to be an active member why not be a patron? Benefits include concessions, a regular newsletter, and a sneak preview of shows at special rehearsal evenings. For an application form or more details please see a member of our front of house team

We would like to offer warm thanks to all those who have helped us and also a special big thank you to you, our very supportive audience and last but by no means least

**We hope you enjoy the show!**

### **Message from our Director**

Welcome to Peacehaven Players' Production of "Anything Goes" Sit back and enjoy the wonderful music of Cole Porter, some of which you will remember. Such songs as "I get a kick out of you", "Your the tops", "Friendship", and of course the great tap dancing number "Anything Goes".

The story is about the voyage of the SS American on route from New York to London and the lives and loves of those on board whether legally or as a stowaway as they all interact with each other on the journey.

Join Reno and her Angels trying to save the "sinners, Billy wooing Hope, Evelyn showing the gypsy in him, Moonface and Erma try to getaway, badly. Watch out for the gambling Chinese boys Luke and John, are they really boys?

May I take this chance to thank all the members of the Players for all their efforts in helping to present our show. My special thanks to Wendy as a very able assistant and to Gloria for the great choreography. Special thanks also to Margaret, for yet again guiding us musically and to Rob, for building us an unsinkable ship!

Now sit back and enjoy the show!

## Act 1

- Scene 1            A smokey Manhattan Bar
- Scene 2            The afterdeck of an ocean liner.
- Scene 3            On deck, that evening.
- Scene 4            Whitney's stateroom/ Moon's adjacent cabin.

# WE WON'T

Get a written quote for a new clutch for your car from your main dealer and we will beat it and give you a lifetime guarantee.

## The Clutch People

*We only disappoint our competitors.  
Not our customers!*

### Now A Clutch For Life

Clutches in cars and vans over 4 years old wear out at the rate of 8,000 a day as three million motorists a year learn to their cost. But now a major manufacturer has introduced replacement clutches with a lifetime guarantee. If the new clutch wears out or fails owing to fair wear and tear or a driver with a heavy left foot, it will be replaced with no haggling, free of any charge, even labour is free. The move is a cost saving advance for family motorists and company cars and vans (sorry but taxis and driving schools are excluded as are vans over 3500kg gross weight which is larger than most twin wheel Transits). Just retain your receipt and free guarantee in order to ensure free replacement.

- Batteries

**INDEPENDENT  
PERSONAL  
SERVICE**

**FIXED WHILE-U-WAIT**

## NITROGEN IN TYRES, WHY?

- Police across the country carried out roadside surveys to check tyre pressures. On average they found 75% of tyres had incorrect pressures.
- Road Traffic Accident Statistics show that 86% of tyres have incorrect pressures.

Tyres filled with Nitrogen will maintain their correct pressure for longer because Nitrogen doesn't leak through the tyre's structure. Normal compressed air contains oxygen and water both of which permeate through the tyre casing.

### Filling with Nitrogen will Provide:

- Longer term stability of the tyre pressure.
- Better grip and handling.
- Reduced fuel consumption, up to 5% reduction.
- Longer tread life, up to 25% increase.
- Enhanced safety.
- No corrosion to the inside of the wheel.

As tyre specialists we recommend all 5 tyres on your vehicle are refilled with Nitrogen. We charge £5.50 per wheel for this service. Subsequent rechecks and Nitrogen top ups (if required) are free of charge.
