Welcome

Hello and welcome to our summer production of Fly Me! This show has been written by Judith Foot as, after having such a success with her show The Wow Factor last year we asked her if she would write another. She obliged and she has come up trumps.

So we would like to say a massive thank you to Judith for all her hard work and effort, and well done to the cast for making it work so well. This show will make you laugh and hopefully have you singing along to some of the songs and in case of an emergency the fire exits are here and here.

Why not come and join us for our Pantomime. We will be holding open auditions for the show. So if you fancy a bit fun this is the place to be. We are performing Sleeping Beauty, which is being directed by Tony Garwood. This is the first time Tony has directed for Peacehaven Players, so we wish him all the luck in the world :-). We promise we will try and be on our best behaviour.

So sit back, relax and let us take you on a lovely sunny holiday to Torremolinos.

Hope you enjoy the show.

About Peacehaven Players

Peacehaven Players are a musical theatre group who stage two shows a year, a major summer production and a pantomime in the winter. We are an open company and new members are always welcome to join us without the need to audition.

Not an actor? We still want to hear from you. Peacehaven Players offers something for everyone, from working backstage to front of house, painting scenery, props, making costumes, or even just general help, there's always something for you to get involved in.

Our main aim at Peacehaven Players is, of course, to have fun. It's of utmost importance that we enjoy what we do, but it's not all about the acting. There's a great social side to being a member of the Players. We hold regular fund raising events such as coffee mornings and car boot sales, which is a great way to get to know everyone and meet even more members of the community. We also get together for meals and nights out for the chance to socialise outside of rehearsals.
